HOW TO MEASURE

FOR THE BEST RESULT, MEASURE OVER YOUR UNDERGARMENTS.

Chest/Bust:

Men: Measure just under arms and across shoulder blades holding the tape firm and level. If your chest size falls between sizes on the chart below, order the next size up.
Women: Measure the fullest part of your bust, keeping the tape level to the floor.

Waist:

Men: Measure around your natural waistline, keeping the tape comfortably loose.
Women: Measure your natural waist where your torso is the smallest.

Hips:

Men: Stand with heels together and measure the fullest part of your hips.
Women: Stand with heels together and measure the fullest part of your hips (approximately 8" below the natural waist).

Inseam:

Measure pants that fit you well from the crotch to the hem.
